

REMARKS

Claims 11-16 are pending in the present divisional application, of which claim 11 is the sole independent claim. Original claims 1-10 have been canceled. New claims 11-16 have been added. Support for new claim 11 is found in original claims 2 and 3, with the exception of the flow rate in new claim 11 which is found in the specification on page 4, line 6, and the minimum vessel diameter in claim 11, which is found in the specification on page 3, line 1.

The present application has been amended to contain a cross-reference to the prior co-pending application and to claim priority to it under 35 U.S.C. § 120. If the Examiner has any concerns regarding the application, Applicants respectfully request that the Examiner contact Applicants' undersigned attorney by telephone at (215) 592-2423 to discuss the issues.

Respectfully submitted,
